Topic: **School Support Staff Recognition Week**

This week is the provincial School Support Staff Recognition Week. It is intended to increase public awareness of the many services and contributions that support staff make to students and schools. Your collaboration with teachers and divisional staff contributes significantly to the academic success of our students. The COVID-19 pandemic has demonstrated the additional importance of school support staff in keeping our students and staff safe.

On behalf of Park West School Division, I would like to thank our support staff for the valuable work that you do on a daily basis to support the education and wellbeing of our students. We are grateful for our wonderful secretaries, educational assistants, librarians, custodians and maintenance workers, noon hour supervisors, ICT team, and bus drivers.

THANK YOU
