Topic: **Executive Summary of the December 12 Regular Board Meeting**

1. The Board heard from three new delegations requesting out-of-catchment school bus transportation. A fourth delegation requested further accommodations to current transportation.
2. A representative from the Rossburn Municipality brought forward concerns from his council regarding the November 14 motions to grant out-of-catchment transportation.
3. In November, the Board passed motions granting out-of-catchment school bus transportation to eight families. A notice of motion was submitted on December 12 to reverse the November decisions. As per our bylaw, the new motions will be considered at our January 9 meeting.
4. The Board discussed the recent biannual meeting focusing on the Park West and Waywayseecappo educational partnership.
5. The Secretary-Treasurer has been preparing for and attending meetings regarding Manitoba's Association of School Business Officials, Park West Fibre Optics Co-op, PWSD Foundation, and PWSD's education partnership with Waywayseecappo First Nation.
6. Stakeholder feedback regarding the divisional budget process will be collected via an online survey which will be available from December 5 – 31.
7. Our next divisional newsletter is available on our website prior to Christmas. It includes a feature on vaping as well as a new section highlighting noteworthy student achievements.
8. Schools are supportive of inviting the Lions Kidsight program into the Division. This initiative offers a quick, simple vision screening program for children.
9. Information regarding the divisional and MSBA student citizenship award programs has been distributed to schools.
