Meeting ID: 948 1764 4048

Passcode: 619779

Manitoba Education Announcement:

- Yesterday evening, the division addressed the recent Manitoba education announcement in a public meeting. A copy of the PowerPoint from the meeting is available at <https://tinyurl.com/march23presentation>

Return to Play:

- It is likely that Restricted Level Orange for schools will continue until the end of the school year. Given this fact, the Board of Trustees is considering allowing some limited return to play of sports and extracurricular. They will decide this at their April 8 meeting.

Travel Restrictions during Spring Break:

- The Province has released the following advisory regarding spring break travel.

Manitoba Education has received a number of inquiries regarding travel during spring break for school division and school staff.

Critical services workers are not exempt from provincial 14-day self-isolation requirements if they travel for leisure purposes. The current provincial Public Health Orders provide an exemption from the self-isolation requirements to allow critical services workers to travel and provide **critical services** (i.e., travel that is related to their critical worker duties).

For information on travel and the self-isolation requirements, please review the following information <https://www.gov.mb.ca/covid19/restartmb/prs/orders/index.html#travel-self-isolation>.

For information on travel to cottages or second properties, please see the following guidelines <https://www.gov.mb.ca/covid19/restartmb/prs/orders/index.html#travel-cottages>.

To review the current public health orders, please visit the following link: [2-col Regulation template \(gov.mb.ca\)](https://www.gov.mb.ca/covid19/restartmb/prs/orders/index.html#travel-cottages)

Additionally, the Government of Canada continues to advise all Canadians to avoid non-essential travel until further notice.
